Virginia Football Parking 2009

Information

The Carl Smith Center, home of Scott Stadium, provides fans a unique college football experience. Although reserved parking adjacent to the stadium is available exclusively to qualified Virginia Athletics Foundation donors, the University has identified general public parking spaces for the 2009 football season to accommodate fans. The parking includes UVA parking lots at North Grounds, areas at the Fontaine Research Park, and garages located at Emmet Street & Ivy Road, Central Grounds, the UVA Health System area and in Downtown Charlottesville. This flyer has been developed to assist fans in choosing a parking option for their needs.

Game Day Options:

- **Parking in Downtown Parking Garages - Per Game Price: \$6.00, plus \$5.00 per person round trip for bus shuttle:**
Parking spaces may be available in one of the garages located on Market or Water Street. Patrons may utilize the football bus shuttle from Market & Water Street bus stops to and from the Stadium at a cost of \$5.00/person. Both the garages and the shuttle are wheelchair accessible. On game day, the \$6.00 parking fee is honored all day and evening. **Directions to the Downtown Garages** – Utilize exit 121 off Interstate 64 and follow the 3-Presidents signs to downtown.
